Class VIII to XII

ACADEMIC

Excellence

Pre-defined Yearly Planner

The yearly planner consists of arrayed chapters for each of the subjects, test grid of the whole session with syllabus mentioned in it, holiday schedule, homework checking schedule etc.

Scientifically Designed Chapter Modules

Classroom teaching is supplemented with futuristic study material in the form of chapter modules, which provide sequential theory of a particular chapter with exercises to check the progress of students, pictorial and textual summaries.

Regular Classroom Discussion of Homework Questions

After classroom teaching, homework is given to students, which is discussed in the next class of that particular subject. Students who do regular homework and participate in classroom discussion are likely to succeed in the competitive examinations.

Performance Evaluation Report

Students can check his/her performance and rank generated for each subject in Learning Temple App. The Result can be found in Learning Temple App under Test portal.

School NCERT Preparatory Sheets

These are worksheets which are to be solved and submitted for checking, after each chapter.

Parent Teacher & Student Meeting (PTSM)

There is a provision of PTSM which ensures periodic communication among the parents, teachers and students. Through this meeting, parents get feedback about the strengths and weaknesses of their ward and teachers get feedback about their teaching. This mutual feedback system helps in improving the quality of academic delivery.

Motivational Sessions

There is provision of motivational classes within the curriculum which is required to keep the students on track and motivate them to aspire for success. As students of this age require continuous guidance, these motivational sessions help them to set their targets and fix the execution of guidelines to achieve them.

Student Relationship Manager (SRM)

It is basically a WhatsApp contact number used to connect with parents to inform them about daily updates, test syllabus information, homework information, workshop notification, competitive examination registration etc. The information is floated through WhatsApp images and text messages. SRM ensures that parents do not miss out on any of the information being shared by Learning Temple.

Enhanced Classroom Teaching with Learning Aids

In classrooms, faculty members employ latest technologies to deliver topics in the most interesting and possible manner to maximize the absorption of concepts.

Daily Practice Problems (DPPs)

In addition to chapter modules, DPPs are given to students. Each DPP includes questions from all the chapters taught before it, even if they've already been covered in earlier DPPs.

Regular Testing

The concepts learnt and practiced by the students are tested through regular tests mentioned in the yearly planner and conducted among the students of Learning Temple across all the centers. This helps students to check their performance.

Booster Test

Booster Test Series is designed for students who are aspiring for good ranks in competitive examinations. In this test series, students showcase their talent which is benchmarked in our all centers in a pool of thousands of students and helps in analysis of strong and weak topics.

Doubt Classes

Doubt classes are for those students who miss out on classes due to unavoidable circumstances or late joining. These classes run throughout the year so that students can catch up anytime they feel left out.

Sub Junior (Class-VIII)

Course Concept:

During classes VII, children go through immense mental and physical development. Thus, a children friendly environment is a necessity in which they can grow mentally and physically. This course offers an environment in which the student can grow scholastically through unique teaching methodology of Learning Temple as well as co-scholastically through various activities and workshops.

Course Features:

- ▶ All points of academic excellence are applicable.
- ▶ Every alternate week you have your booster test.
- ▶ Three days a weak classes. Total No. of hours per day will be for hours. For CBSE & GSEB six days a weak two hours daily classes.

Subjects Offered:

Science, Mathematics, Social Science, English and Mental Ability.

Course Fee:

Class	Duration	Course Name	Tuition Fee	Total Course Fee (Fee + T-Shirt)	I Inst.	II Inst.	Fee if paid in ONE TIME
VIII	One Year	AADHAR	₹ 42000	₹ 43000	₹ 23000	₹ 20000	₹ 41000

ARF (Advance Registration Fee) for class - VIII: ₹ 10,000

Class Commencement: **CLASS: 8th** - 1st April 2024 | **Time:** 04:00 PM to 08:00 PM | **Frequency:** 3 Days / Week

Junior (Class-IX & X)

Course Concept

The aim of this program is to build conceptual framework for the students to tackle their Board examination and National Talent Search Examination (NTSE) in class X. Students who have not picked a career path for them should pick these courses for sound fundamentals in class IX and X.

Course Features:

- ▶ All points of Academic Excellence are applicable.
- ▶ Every alternate week you have your booster test.

Subjects Offered:

Science, Mathematics, Social Science, English and Mental Ability.
